

Governance Build List

The instruments, actions, and decisions the corporation's own documents call for, found by auditing each board position description line by line. A living list: items are added as each position is audited and struck as each is built.

INTERNAL · FOR THE BRIDGE · WORKING LIST

Prepared by Alley Till for Branding & Outreach · alley.till@luminara.institute · begun September 2, 2026

METHOD

Each board position description cites the authorities its duties rest on. Every citation either points at an instrument that exists or reveals one that must be created. This list walks each position, pulls every reference, and records what it found. Statute citations were verified against the published RCW text at the Washington State Legislature on September 2, 2026.

STATUTE VERIFICATION

All ten distinct citations verified accurate: RCW 24.03A.120 (organization of corporations), .495 (standards of conduct, directors), .580 (procedure for remote meetings), .585 (officers), .590 (standards of conduct, officers), .630 (indemnification and advance for expenses), .906 (distribution of assets on dissolution), .908 (corporations holding charitable property), chapter 1.80 RCW (Uniform Electronic Transactions Act), chapter 19.09 RCW (charitable solicitations).

One nuance for ruling: RCW 24.03A.585(1) states officers "consist of a president, secretary, and treasurer"; it names the office, and no subsection permits title substitution. Resolution 3 leaves the President's office expressly vacant while the Chair performs its functions. Hardened alternative: declare the Chair is the corporation's president within the meaning of RCW 24.03A.585, serving under the title Chair of the Board. Queued for Alley's ruling and the attorney-review pass already on the adoption checklist.

POSITION 1 • CHAIR OF THE BOARD — AUDITED SEPTEMBER 2, 2026

ITEM	KIND	REVEALED BY	NOTE
Expense Reimbursement Policy	INSTRUMENT	Cover page; bylaws §4.11 "in accordance with policies approved by the Board"	The bylaws cite a policy that was never written.
Regular Meeting Agenda Template	INSTRUMENT	"Set agendas with the Secretary and officers"	Only the organizational meeting's agenda exists.
Regular Minutes Template	INSTRUMENT	§5.11 minutes duty behind the presiding role	Only the organizational meeting's minutes template exists.
Meeting Notice Templates	INSTRUMENT	§§5.3, 5.5: 48-hour special notice; Major Actions must be stated in the notice	A missed Major-Action statement makes the vote challengeable.
Remote Meeting Procedures	INSTRUMENT	§5.4; RCW 24.03A.580 "to the greatest practicable extent"	The board meets by video; how remote votes are taken and recorded is undocumented.
Rules of order	DECISION	"Preside at meetings"; bylaws silent on procedure	One line in board policy settles it.
Board Class and Term Register	BOARD ACTION	§4.6 staggered classes; §6.1 Chair must be a director	No record shows directors were ever classified into Classes I, II, III. Until then, no seat has a known expiration.
Certificate of Incumbency	INSTRUMENT	"Sign adopted instruments"; banking practice	Banks require it; standard Secretary-signed template.
Banking Resolution + Signature Authority	INSTRUMENT	§§10.1-10.3 defer money authority to a policy or resolution	Drafted ready for adoption, signers named. Opening the account requires the adopted resolution, the incumbency certificate, and the corporation's EIN. The EIN is active; it has not yet been shared with the officers who need it.
Officer Onboarding Packet	INSTRUMENT	Acceptance: "acknowledge receipt of the bylaws and the Conflict of Interest Policy"	The defined set handed to every new officer; joins the Michele onboarding thread.
Board Compliance Calendar	INSTRUMENT	§5.1 annual meeting; quarterly deposits; annual report; COI collection; policy review	One calendar stitching every recurring obligation together.

ITEM	KIND	REVEALED BY	NOTE
Records safe confirmed; first deposit	ACTION	"Verify the quarterly records deposit"	Q3 ends September 30; first deposit due by October 30, 2026, into a locked safe whose existence is unconfirmed.
Portfolio Register	INSTRUMENT	Director description: "any portfolio or committee assignment the board records"	A register of portfolio and committee assignments, filled by board action and kept with the corporate records.

POSITION 3 • SECRETARY — AUDITED SEPTEMBER 2, 2026

The short audit, as predicted: the custody instruments exist (retention policy, rollout plan, compliance forms, disclosure statement, acceptance pages). Four items remain, plus cross-references to the meeting kit and deposit practice already logged under the Chair.

ITEM	KIND	REVEALED BY	NOTE
Certificate of the Secretary template	INSTRUMENT	"Certify adopted documents and record adoption dates upon them"	Banks require certified copies of board resolutions; no certification instrument exists. Pairs with the banking stack.
Corporate Records Index	INSTRUMENT	"Maintain the corporate records" (§6.9, Article X)	The minute book's table of contents: what the record holds and where. Standard practice; makes the quarterly deposit verifiable against a list.
Disclosure Log	INSTRUMENT	"Receive signed disclosures, acceptances, and certifications for filing"	One line per covered person per year: disclosure received, acceptance on file. Small; the check behind the COI policy.
Pioneer Roster	INSTRUMENT	Pioneer Path: "The Secretary keeps the roster: name, role, home, start date, and next step"	The Member Profiles intake sheet exists but does not carry the adopted roster fields; the roster the exhibit requires is not yet built.
Meeting notices, regular minutes, deposit practice	INSTRUMENT	§§5.5, 5.11; retention policy	Logged under the Chair audit; administered from this desk.

POSITION 4 • TREASURER — AUDITED SEPTEMBER 2, 2026

ITEM	KIND	REVEALED BY	NOTE
Treasurer's Report Template	INSTRUMENT	"Report regularly on financial condition, variances, restricted funds" (§10.7)	No standing format exists for the regular report the bylaws require.
Financial Controls Policy	INSTRUMENT	§10.2: disbursements "in such manner as the Board may determine by policy"	The bylaws defer payment controls to a policy that does not exist.
Gift Acceptance Policy	INSTRUMENT	§10.6 decline/return/restrict powers; Resolution 11 disclosure requirement	Carries the standing rule that solicitation materials state gifts are received through the Virtual World Society until federal recognition.
Annual Budget Template	INSTRUMENT	§10.7: board approves an annual budget or financial plan	No budget instrument exists.
First annual budget adopted	BOARD ACTION	§10.7	No budget has ever been adopted; agenda item for the next meeting.
Banking Resolution + Signature Authority; Certificate of Incumbency	INSTRUMENT	§§10.2, 10.3	Logged under the Chair audit; administered from this shelf.
Compliance Calendar, Treasurer entries	INSTRUMENT	§10.11: annual report, charitable solicitation registration (ch. 19.09 RCW), federal information return	The federal return depends on the fiscal year recorded with the EIN. The EIN is active; its confirmation notice (CP 575) is held by the Chair and not yet in the corporate record.
VWS fiscal sponsorship agreement executed	ACTION	Resolution 11: Chair and Treasurer authorized to negotiate and execute	Authorized but not yet executed; no written agreement is on record.
Audit, review, or compilation determination	DECISION	§10.10; ch. 19.09 RCW tiers	Free choice only below \$1 million in revenue; \$1 to \$3 million requires CPA-prepared or audited statements; above \$3 million an independent audit is required by statute.

ITEM	KIND	REVEALED BY	NOTE
Registration-exemption determination	DECISION	ch. 19.09 RCW	Organizations raising under \$50,000 with all-volunteer operations are exempt from solicitation registration; whether Luminara relies on the exemption or registers is determined before soliciting, not assumed.
Bonding determination	DECISION	§6.10: the board may require bonding	Deferred until funds warrant.

ATTORNEY REVIEW QUEUE

Items joining the attorney-review pass already on the bylaws adoption checklist: the bylaws against the filed Articles; the Resolution 3 presiding-officer conformance wording; the Guest Hosting Agreement before any guest signs it.

POSITION 2 · VICE CHAIR — AUDITED SEPTEMBER 2, 2026

The continuity office inherits the Chair's entire duty set, so nearly every item is already logged above. One genuine gap surfaced.

ITEM	KIND	REVEALED BY	NOTE
Succession beyond the Vice Chair	DECISION	"Whenever the Chair is absent or unable" (§6.6); bylaws name no third	A meeting with both Chair and Vice Chair unavailable has no designated presider, and nothing says who determines "unable." One line of board policy settles both: an order of succession, or a chair pro tem elected by those present.
Standing assignments; Chair's duty set	INSTRUMENT	"Standing or special duties assigned"; acting authority	Recorded in the Portfolio Register; every Chair-audit instrument serves the Vice Chair when acting.

POSITION 5 · DIRECTOR — AUDITED SEPTEMBER 2, 2026

The audit that proves convergence: every duty on the Director page resolves to an item already surfaced. Preparation and voting rest on the meeting kit's advance packet; terms rest on the Class and Term Register; conflicts rest on the Disclosure Log; recorded portfolios rest on the Portfolio Register; arrival rests on the Officer Onboarding Packet. The fifth audit found nothing new because the first four had already exposed the whole system.

AUDIT PROGRAM COMPLETE

Five positions audited September 2, 2026. Twenty-eight distinct items surfaced: instruments, board actions, and decisions the corporation's own documents call for. Items are struck from this list as each is built or resolved.
