APPLICATION RULES

Board and legal documents	Legal name in full. Quotes from filed instruments match the record exactly; a restyled quote is a misquote.
Outbound mail	All correspondence from @luminara.institute. Signature blocks carry the settled public name.
Decks and templates	No legacy template ships after rollout.
Division materials	Each division uses its settled name and mark; its pages on the website reflect the current structure.
Every page	Carries the Luminara logo and the name: the full legal name on business documents; Luminara alone on materials and outreach. Absence flags counterfeit or sloppy work.
Never color alone	Any meaning a color carries is also carried by a word, shape, or pattern.
