Who are we becoming?

Seekers of human transcendence, through technology and experience

Become a Pioneer

Read the Founding Charter

BOARD OF DIRECTORS

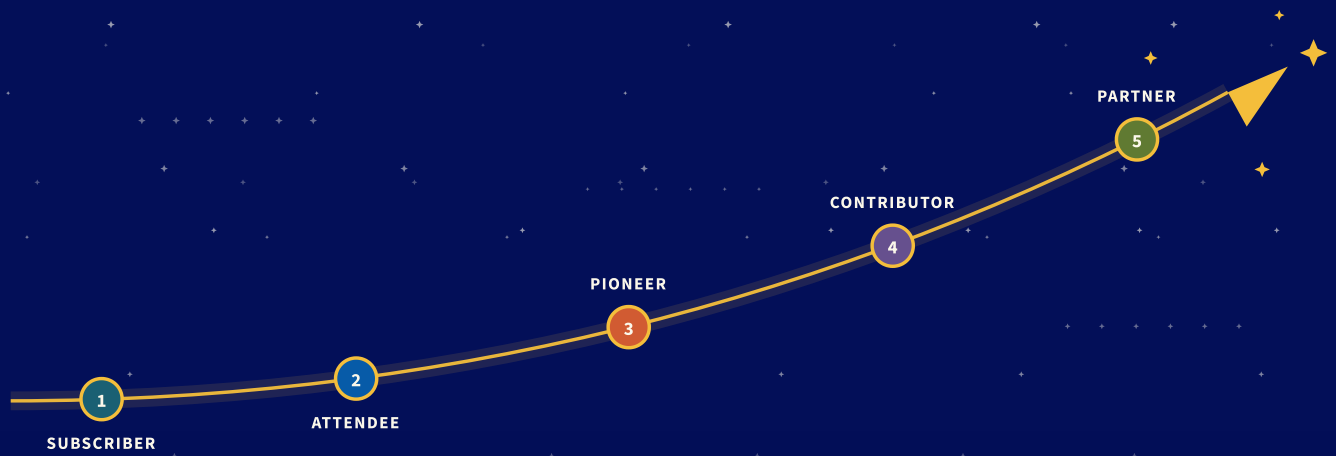

Luminara is a nonprofit research, learning, and humanitarian institute convening pioneers in XR, AI, neuroscience, education, medicine, design, the arts, and human development, so that technology strengthens rather than diminishes our humanity.

Luminara Institute of Light was formed as a Washington nonprofit corporation on May 7, 2026, and announced in June 2026.

Pioneer Pathways

Take one step and we'll light the next

Subscribe to the newsletter, attend a session, join a program. Every Pioneer has a place to begin and a visible path forward.
