

Review and Findings Packet

For the consultant and leadership team · September 1, 2026

This packet contains the review that informs the governance decisions before the board. It compares Luminara's practices with the strongest organizations in its field, identifies the distance still to close, and sets out the work in the order it should be done. Nothing here requires a vote.

-
- 1 Communicating Purpose, Engaging Supporters, Building a Recognizable Identity**
The communications and identity review, with twelve recommendations across three fronts.

 - 2 Organizational Infrastructure Benchmark**
How the strongest institutes build their foundations, measured against Luminara's current position.

 - 3 Peer Comparison Matrix**
The organizations reviewed, what each does, and what Luminara should take from it.

 - 4 Build-Days Checklist**
The work in execution order, with owners.

 - 5 Board Deck**
The presentation of the review's findings and recommendations.
